- Rough-in (2) network wiring (cat-5).

CONDITIONS

- All plans, elevations and specifications are subject to modification from time to time by the vendor according to the Ontario Building Code, National Building Code and Architect.
- The vendor will not allow the purchaser to do any work and/or supply any material to finish the dwelling before the closure date.
- Purchaser agrees to pay Tarion enrolment fee on closing as an adjustment.
- Purchaser acknowledges that Tarion enrolment fee is based on the purchase price herein.
- The purchaser acknowledges that finishes and materials contained in any sales office and model homes, including broadloom, furniture, cabinets, stained floor, staircase and railings, architectural ornamental plaster, acoustic tile ceiling and luminous lenses, etc., maybe for display purposes only and may not be included in the dwelling unit purchased herein.
- Purchasers are notified that side door (where applicable) may be lowered or eliminated to accommodate side yard drainage as per grading or municipality requirements.
- House types and streetscapes subject to final approval by the municipality or developer's architectural committee and final siting and approval by the vendor's architect.

- The purchaser shall indemnify and save the vendor, its' servants and agents, harmless from all actions, claims and demands for upon or by reason of any relatives, workmen, and agents, who have entered on the real property or any subdivision of which the real property forms a part of, whether with, or without authorization, express or implied, by the vendor.
- Variations from vendor's samples may occur in finishing materials, kitchen and vanity cabinets, floor and wall finishes due to normal production process.
- Purchaser's choice of interior colours and materials to be chosen from the vendor's standard samples if not yet ordered or installed provided that the colours and materials are chosen by the purchaser within 10 days of notification by the vendor. Otherwise, the vendor reserves the right to choose the colour and/or materials.
- The vendor shall be entitled to reverse the plan of the house being constructed.
- The vendor is not responsible for shade difference occurring from different dye lots on all materials such as ceramic tile or broadloom, roof shingles, hardwood flooring, wood stairs, railing, kitchen cabinets, countertops or brick. Colours and materials will be as close as possible to vendor's samples but not necessarily identical. Purchasers may be required to reselect colours and/or materials from the vendor's samples as a result of unavailability or discontinuation.

Location and size of windows and doors may vary with walk out deck conditions. All dimensions are approximate. Furnace and hot water tank locations may vary.
